"As soon as the first note was played, the dance floor filled up and was never empty until the end of the evening when the music stopped!" **Sydney Casino**

"I had so many positive comments from your performance I think it would take up the whole page. In short, "fantastic!" **State Super**

"Jellybean Jam were the perfect choice. Not only did they look good and sound great, but they managed to please all ages (18 through to over 50). Their selection of songs was perfect -60's through to the Top 40s." **Leighton Contractors**

"Always a sign of a successful party is a full dance floor and I can assure you our dance floor was full for the entire performance of the band. Popular opinion is that this years Christmas party was the best we had to date and a big part of the evening's success was the performance of the band." **Sara Lee Intimates**

"I just wanted to let you know that the band were absolutely fantastic at last night's awards dinner at Paddington Town Hall. As an event staging company, we get to see a lot of corporate and dance bands in our job, and I was really impressed with their performance. The delegates loved every minute that they played, with no-one left sitting in their seats. The length of their sets was exhausting just to watch and they were easy going and great to deal with off-stage as well. I hope we have the opportunity of using them again for other clients." **Wise Monkey Events**
