

# *The Robbie Williams Experience*

AES are proud to present a tribute to the ultimate, modern day showman, Robbie Williams. Featuring accomplished entertainer, Louie Lee Feltrin as the 'man' himself. The show takes you on a musical journey that is...  
*"The Robbie Williams Experience!"*

Louie's fantastic impersonation, both vocally & physically of Robbie Williams was a highlight of the Channel 9 show, 'Starstruck.' Not only was Louie a favourite with TV audiences, but he has since performed his show at many corporate events including, The Victorian Tourism Awards; Coca Cola Zero launch; Just Jeans; Cadbury Schweppes; Lasseters Hotel Alice Springs and Brainwave Australia. His performances have received great reviews, attracting invites to perform on radio and television entertainment programmes.

Musically the show features all the major hits including, Let Me Entertain You; Rock DJ; Betterman; Millennium; Kids and Angels. The music presented in a range of 'line ups' from Louie solo, with dancers and sequenced backing tracks to a five member band with guitar; bass; drums and keyboards. The addition of 'horn section' allows for a tribute to Robbie's love of swing and old time classics, as seen at the brilliant Royal Albert Hall concert in 2001. Songs like, Straighten Up & Fly Right; Mr. Bojangles; Mack the Knife; and Chicago take you back to the smooth and stylish times of the forties and fifties.

The band 'suit up' to provide the perfect stage setting for all the big swing classics. Open your night with the swing....close your night with the Top 40 hits from Robbie's career so far! For added glamour, a gorgeous female dance troupe compliment the band on stage throughout the performance.

Louie's years of experience, performing to audiences of all ages, comes to the forefront as he takes on the persona of Robbie Williams! The show ensures audiences are up on the dance floor having a fantastic time!!

Louie takes his hat off to a modern day superstar, Mr. Robbie Williams!
