Cheek to Cheek

Cheek to Cheek is a versatile trio that has been providing professional, stylish and unique entertainment for a variety of venues and audiences over the past 5 years.

While performing many musical styles, including jazz, rock, and pop from eras spanning the 1930’s through to the current, Cheek to Cheek maintain a high standard of live performance.

Cheek to Cheek use no pre-recorded sequenced backing to achieve their complete and highly versatile sound. This is only possible because Mark & Stephanie are accomplished vocalists and all three members are accomplished instrumentalists.

The instruments featured are: Baby Grand Piano (Portable), Keyboards and Female Vocals, Double Bass, Saxophone, Guitar and Male Vocals, and Peter on Drum Kit - Congas.

Add to this the more elusive qualities of musical chemistry, such as their unique vocal blend, and you have a trio like no other. In conclusion, anyone who books Cheek to Cheek to play for a venue or a function can be assured of a polished, professional and high energy performance that will leave the audience extremely well entertained.
