### Congratulations! You're turning 60!

So what makes a great 60th birthday celebration? Experience - nothing more, nothing less. When it comes to 60th birthdays, AES has DJs who are suited specifically to your type of event. No cowboys. No rockstars. Just full-time, professional DJs who have earned their stripes playing in some of Melbourne's biggest clubs and pubs over the last 3 decades.

And our **AES music selection forms** make it easy to construct a list of your favourite songs.

We've got the experience, the right music and quality pro DJ gear that you'll need for a successful event. And your DJ can be as quiet or as interactive as you want him to be. Sound like your type of party? Read on...
