

# SIMEON

## SOLO ACOUSTIC

Twelve years of solid gigging have given Simeon the confidence to consistently deliver a great live performance. He has played at many of Melbourne's best known venues -- the Geebung Polo Club, Bridie O'Reillys, the Evelyn, Zagame's, Molly Blooms, Pug Mahones and the Palace, to name a few. Whether at an inner city hotel or a country town bistro, Simeon adapts to interact with and entertain his audience. Live music is about creating atmosphere... and Simeon's experience enables him to do this with excellence. Over the years he has not only performed in public venues, he has also played at countless corporate events (in venues such as the Grand Hyatt and the MCG), weddings, parties and festivals.

On the side, Simeon's original music has taken him on tours around Australia, into Asia, Europe, New Zealand and the USA. Simeon values connection with every audience and realizes what he does must build a memorable experience specific to a place or occasion.

A sample repertoire of Simeon's songs is found on the next page.
